Nursery Newsletter
October 2020

Dear Parents/Carers,

Welcome to our October Newsletter!

Thank you!

Thank you very much to all parents and Carers for following the safety measures we have in place on the Colgrain grounds. We appreciate your patience as we constantly review and change these as required.

THANK
YOU!

Tea 'n' a Blether

Our first Tea 'n' a Blether session will take place on Tuesday 27th October at 1:30pm. We welcome all nursery parents and Carers to join together to have a relaxed chat and get to know each other. One or more member(s) of staff will also be there. Please be sure to make a cuppa and bring the biscuits too! This session will take place via Google Meet. Instructions on how to access have been sent with this newsletter. The meeting link is meet.google.com/nfz-yude-zzz
If prompted, the code is nfzyudezzz

Hallowe'en Celebrations
Friday 30th October

On Friday, all pupils from nursery to P7 are invited to dress-up for coming to nursery/school. We will have lots of Hallowe'en themed activities on offer. We will also have prizes for costumes in each class/in the nursery.

We would request that children do not wear face paint or wigs as this encourages them to touch their face. Also, please refrain from bringing props to accompany costumes.

Colgrain Team

We paid a fond farewell to Mrs Helen Kelly at the end of Term 1. Interviews were held yesterday to recruit our new Early Education and childcare Worker. We are delighted to announce that Miss Fiona Porter was the successful candidate. Miss Porter will now work with us on a permanent basis.

Gentle Reminders

Change of clothing

Please remember to send at least one change of clothing in your child's nursery bag. This is particularly helpful now as the children are outside playing, and will continue to do so, in the Winter months. Please bring a change of footwear for both indoor and outdoor play. Wellies are preferable for outdoor activities.

Labelling

Please ensure that all items of clothing and shoes are clearly labelled with your child's name.

Chilly!

You will have noticed that we are saying 'see you later' to the lovely warm weather and entering the cooler months. Please ensure your child has warm winter clothing for outdoor activities e.g. hat and gloves.

Seesaw

The nursery team enjoy sharing photographs and updates via Seesaw. Please let us know if you have any difficulties accessing Seesaw and we will do what we can to help.

Parent/Carer Updates

Last month, the staff team were delighted to speak with the parents and carers of all children within the Nursery. We wished to provide you with an update on how your child has settled into nursery, and also to get to know you a little better.

We will be doing this again next month, with calls taking place during the week beginning Monday 14th December.

Please do not hesitate to email or call at any other time. We are happy to speak with you.
